Office of the Deputy Commissioner,

Dated, Tumkur, the 31st December 24.

To

gappa, Esquire., Bar-at-law.,

Secretary to the Government of H. H. the Maharaja

of Mysore, Local & Legislative Departments,

B a n g a l o r e .

S i r,

I have the honour to state that the Kunigal Municipal Council resolved in their meeting held on the 31st July 1924, that with a view to improve the resources of the Municipality, the levy of toll on all vehicles and animals laden with burden should be introduced in the Municipal limits, and they accordingly published the Draft Bye-laws and invited objections also giving one month's time. As no objections were however received the matter was again placed before the Council in the meeting held on 31st August 1924, and the Council resolved on the proposed levy and the Government being addressed to sanction the same. As the proposed levy of toll according to the rates contained in the schedule appended to the Draft Bye-laws, is calculated to augment the revenue of the Municipality and would be of considerable help to undertake drainage and other two improvements, I request that sanction of Government may kindly be accorded to the proposal of the Municipal Council.

The copies of Municipal resolutions dated 31st July 24 and 31st August 1924 with draft bye-laws are enclosed.

I have the honor to be,

s i r,

your most obedient servant,

For Deputy Commissioner,
Tumkur District.
